

Pin the Baby on the Belly

Baby Shower Game

Directions:

Try this fun twist on Pin the Tail on the Donkey! Print off this template of a pregnant belly and the appropriate number of babies for each guest. You can enhance the size of the belly image, redraw it onto a poster board, or leave it as is to make it more of a challenge. Cut out a baby for each guest and write their name on it. Each blind-folded guest will take a turn to see who can tape her baby closest to the pregnant belly.
