

Pack Your Bags!

These girls are getting ready for their vacation. Can you find at least eight shapes that are the same in both pictures? Be careful, the shape may be the same, but it might be used in a totally different way!

EXTRA FUN:

Take another look. What do you notice that is the opposite between these pictures?

Pack Your Bags!

Things that are the SAME: Cage on the ski pole is the same as the beach ball; ski hat is the same as sleeve of Hawaiian shirt; sole of ski boot is the same as sandal; Ski Snow Mountain brochure is same shape as kite; sun on Ski Sun Mtn. brochure same as sun on bathing suit; mitten same as pattern on kite; snowflake on SKI brochure same as snowflake on sweater; pattern on skis same as pattern on palm tree; daisy on T-shirt same as daisy on sun hat.

Things that are OPPOSITE: The girl in the top picture is wearing a T-shirt, but is packing to go on a cold and snowy vacation, while the other girl is wearing a turtleneck sweater, but is packing for a warm and sunny vacation. The first girl is going to learn to ski on snow, while the girl in the lower right is going to learn how to water ski!
