

Jesse is showing his friends how to make his favorite "bunny salad." In fact, bunnies like this salad so much, that bunches of them are hiding in the picture waiting for a taste! Can you find all 20 bunny faces?

## Bunny Salad

**EXTRA FUN:** A bunny salad is simple to make. A canned pear half is the bunny body, cottage cheese is the tail, half a cherry is the nose, two long slices of banana are the ears, and the eyes are raisins.
