

Name _____

Use Data from a Picture

1. How many? Write the number.

2. How old is the birthday  ?

Using the Page Have children count the items in the picture and write the number below the respective picture. Have children explain how they determined the age of the birthday girl. Ask children to **look back** and color each group of items the same color and then count again. **Notes for Home** Your child counted objects in a picture to gather data. *Home Activity:* Ask your child to count the cups on the table.
