

Sad Santa, Glad Santa

Santa is **SAD** when Christmas is over, but **GLAD** when Christmas comes around again! Cheer up Santa by making a path through the maze, ending with the glad Santa in the bottom right-hand corner. Alternate from **SAD** to **GLAD** by moving up and down, or side to side, but *not* diagonally. If you hit a **SLEEPY** Santa, you are going in the wrong direction!

All Gone!

What two letters of the alphabet describe Santa's sleigh at the end of Christmas day?
