

Who's in the Family?

Carefully study this picture. Use the hidden clues to figure out how many family members use this kitchen. Pets count, too!

Who's in the Family?

There are five people and three pets in this family: Dad, Mom, Grandmother, school-age child, baby, dog, cat, goldfish. Hints: Look at the pairs of shoes, the coats and hats, the mugs and card on the table, the balloons, the pet dishes and poster on the fridge.
