

To Each His Own

In this neighborhood, all the houses are very different from each other. Yet they all have something in common—at least two things hiding in each house or yard! Look for a candle, toothbrush, pair of eyeglasses, Christmas tree, pencil, capital letter E, pair of pants, snake, diamond ring, number 8, gingerbread man, slice of watermelon, needle and thread, giraffe, playing card, duck, soda can with straw, mitten, the word HOUSE, and a wristwatch.

To Each His Own
