Feed Me I am a plant that eats flesh. I like ants, spiders, and juicy bugs. When an insect lands in my open mouth—SNAP! I slam shut and trap the bug inside where it is slowly digested. Use a dark color to fill in the shapes that have the letters F-E-E-D M-E. The leftover white shapes will show what kind of predatory plant I am. D Ε F Ε E D Ε Μ В 0 R G F Ε D U F Ε F Т U В Ε R Ε Μ G
