

My Travel Journal

Each day of the trip

Write the date at the top of a fresh journal page and use these writing prompts to get your creative juices flowing:

- Where did you go?
- What did you do?
- What did you see?
- What did you learn?
- Draw a picture that represents the place or the activity that you did that day.
- Don't forget to leave room for photos!

When the trip is over

- Make a list of the top five things you learned about the place you visited.
- Paste your favorite photos of the trip in your journal. Write a "caption" (a short description) under each photo to explain what's happening in it.
