

During the Day

Now that you're at work, what do you think? Answer these questions while you are on the job.

1. What's the first thing you noticed about the work place?

2. Does the work place seem organized? Do people work in teams or on their own?

3. How do people have to dress for the job?

4. How do people speak to one another at the job? Are they nice and respectful?

5. Does it seem like a fun place to work?
