

Letter from the Teacher

Dear Parent(s):

In preparation for a smooth entry into grade _____ next fall, _____
and I have decided that it would be important to work on the following skills this
summer:

1. _____
2. _____
3. _____

We have talked about why it might be hard for _____
to work on these skills, and he/she said that the following things might get in the way:

Perhaps you can talk to your son or daughter about ways to work around some of these
difficulties. You might even find that he/she has some very creative solutions to the
potential problems. Please let me know if I can help you as you work with your son or
daughter to plan a summer that has a mix of fun and learning.

Thank you and have a great summer together.
