

There's No Place Like Home

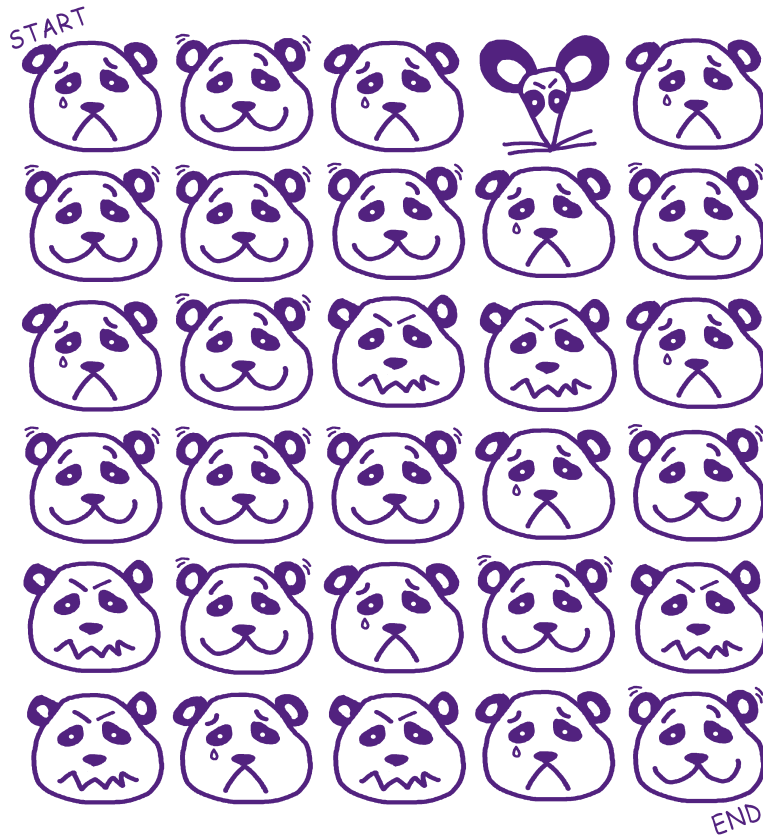

Mountain gorillas are gentle, giant apes that live in Central Africa. Unfortunately, much of their forest is being cleared for farmland. People who care about the gorillas are working hard to keep enough land as good gorilla habitat. You can help by crossing out all the harmful words in this grid. Circle the synonyms for PROTECT!

defend neglect destroy

Sad Panda/ Glad Panda

More and more people are trying to save endangered animals. You can help Sad Panda move through the maze so he is Happy Panda at the end! Make a path that alternates sad and glad. You can move up and down, or side-to-side, but not diagonally. If you hit a Mad Panda, you are going in the wrong direction!
