

Baby Shower BINGO

Directions

Before the Party:

-  Print off a BINGO template for each guest at the baby shower.
-  Or you can make your own BINGO cards with the blank template by typing in appropriate baby products in each square.

At the Party:

-  Give each guest a BINGO template and pen.
-  Guests will mark off items as the mom-to-be unwraps gifts that match up on the card.
-  Spaces with the onesie, bottle, rubber ducky, and booties represent those gifts if opened at the shower.
-  Whoever gets a horizontal, vertical, or diagonal row first is the winner.
