# Why a Disguise?

Hundreds of years ago, people wore masks and disguises on Halloween night, like we do today. Why did they do this? Answer as many clues below as you can, and fill the letters you have into the grid. Work back and forth between the box and clues until you can read the reason why people dressed up in the past. **HINT:** One word has been done for you.

## How Big?

Every year, gardeners all over the world try to grow the biggest pumpkin. When you have filled in the grid correctly, you will know something about the prizewinners. The letters in each column go in the squares directly below them, but maybe not in the same order! Black squares are the spaces between words.

## Sad Jack/ Glad Jack

Some jack-o-lanterns have happy faces. Some jack-o-lanterns do not. Can you help Sad Jack move through the maze so that he has a happy face at the end? Make a path that alternates Sad Jack and Glad Jack. You can move up and down, or side to side, but not diagonally. If you hit a Mad Jack, you are going in the wrong direction!
