

Creepy Carving

A certain carving used to be put on gravestones to protect the soul of the person buried underneath it, and to prevent the soul from returning as a ghost. To see what that carving looked like, use a pencil to follow the dots in numerical order. Center a penny on each X and trace around them to complete the drawing.

Break this code and write a letter in each box to find out what this creepy carving was called.

					.)
2 after B	1 after D	1 before B	3 after Q	3 after E	1 before T
	3 before K	2 after C	1 before B	3 after A
