Who's Haunting the House?

Hold this page about a foot away from your eyes, and stare very hard at the black face while counting slowly to thirty. Try not to blink! Then, look at the empty windows or the door of the haunted house. What do you see?

What's So Funny?

To speak "spooktalk," you add the letters BOO after every letter in a word! When you cross out all the BOOs, the riddle reads:

What is a ghost's favorite snack food? Donut holes!

Who's Haunting the House?

When you look at the empty door or window of the house after staring at the black face, you will see the "afterimage" of the face glowing and flickering.
