

CONSTIPATION

Sometimes you just can't poop! Take this puzzle with you into the bathroom while you are waiting for "something" to happen. OK, are you sitting comfortably? Now, see how many three-letter words you can make from the letters C-O-N-S-T-I-P-A-T-I-O-N. Try to make fifteen.

Nothing yet? OK, try a little harder to make twelve words with four letters each!

Still nothing?? First, go eat some prunes. Then see if you can squeeze out five words with five letters each.
