

Teen Room Questionnaire

- Is it a shared room? If so, is there adequate room for each sibling and his or her belongings?
- How does your teen use the room? (For homework? To hang out with friends? Or only for sleeping and “passing through?”)
- How is it decorated? (If the room still sports a childhood theme, it's time to redecorate.)
- What types of things are hanging on the walls?
- Is there enough drawer or shelf space for putting away folded clothes?
- Is there adequate space in the closet to hang clothes?
- Are provisions made for removing out-of-season clothes to make this season's clothing more accessible?
- When was the last time you or your teen sorted through the closets, weeding out what is outmoded or outgrown? (For example, clothes that no longer fit, whites that look gray, and anything that hasn't been worn recently.)
