

Print out this page twice and cut along the dotted lines. Spread out the cards face down and mix them up. Test your memory by turning one card over at a time and then try to find its match. You may not have more than two cards showing at one time. When you make a match, take those two cards out and continue playing until all the sea creatures are matched up!

Print out and cut along dotted line.

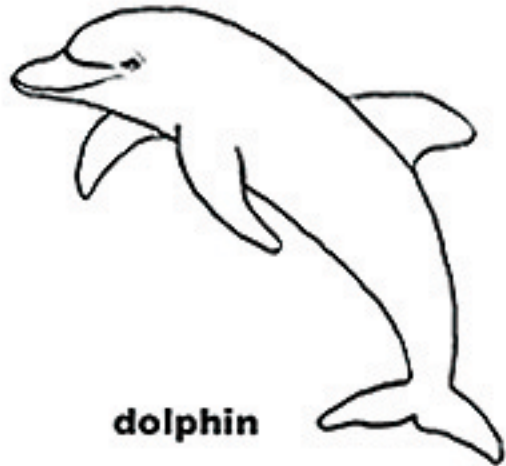

sea lion

sea turtle

sand shark

dolphin

star fish

yellowfin tuna
